MEMORANDUM FOR: D/OS

FROM:

Legislation Division
Office of Legislative Liaison

STAT

SUBJECT: Request for Views - S. 1347 - Access to
State and Local Criminal Records

1. Attached for your review and comment, please find a copy of: S. 1347; a letter from Senator Roth, Chairman of the Senate Governmental Operations Committee requesting the Agency's view on S. 1347; and, a copy of a draft response to Senator Roth on behalf of the Agency from the Director, Office of Legislative Liaison.

2. You will recall that earlier the Agency's views on this legislation were solicited by a staff member of the Senate Armed Services Committee and the Agency responded that it favored such legislation. On the basis of that response, we understand that the provisions of S. 1347 will be added to S. 1281, the Intelligence Authorization Act for Fiscal Year 1986, by the Senate Armed Services which currently has that Bill before it on referral. Nevertheless, the Agency must respond to Senator Roth's request for views as the Bill is properly before his Committee. We do anticipate, however, that the legislation will see floor action via the Intelligence Authorization Act route and not via Senator Roth's Committee.

3. As the Agency's views letter will have to be cleared by the Office of Management and Budget prior to its transmission to Senator Roth, and the Senator has asked to receive the

Agency's views by 12 August, we ask to receive your views by 6 August 1985.

4. Your prompt cooperation is most appreciated.

The Honorable William J. Casey
 Director
 Central Intelligence Agency
 Washington, D.C. 20505

Dear Mr. Casey:

The enclosed copy of a bill which has been referred to the Committee on Governmental Affairs is sent for your review and comment. Your views concerning the provisions of this bill and recommendations for possible Committee action would assist us in our study of the measure.

In addition, Senate rules require each Committee to estimate the regulatory and paperwork impact of any legislation it reports. To assist the Committee in complying with this requirement, we would appreciate receiving your Agency's assessment of the possible paperwork and regulatory burdens which might result from the passage of the enclosed legislation.

We would greatly appreciate your providing us with your response within the next 30 days so that we might have it in time for Committee action.

Please address all correspondence to the attention of Gretta Graham, Committee on Governmental Affairs (224-4751).

Thank you for your participation in this effort.

Sincerely,

Bill Roth
